SPECIAL COMMITTEE ON THE SITUATION WITH
REGARD TO THE IMPLEMENTATION OF THE
DECLARATION ON THE GRANTING OF
INDEPENDENCE TO COLONIAL COUNTRIES
AND PEOPLES

ACTIVITIES OF FOREIGN ECONOMIC AND OTHER INTERESTS WHICH ARE IMPEDING THE IMPLEMENTATION OF THE DECLARATION ON THE GRANTING OF INDEPENDENCE TO COLONIAL COUNTRIES AND PEOPLES IN TERRITORIES UNDER COLONIAL DOMINATION AND EFFORTS TO ELIMINATE COLONIALISM, APARTHEID AND RACIAL DISCRIMINATION IN SOUTHERN AFRICA

Draft resolution submitted by the Acting Chairman after consultations with the members of the Special Committee

The Special Committee,

Having considered the item entitled "Activities of foreign economic and other interests which are impeding the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples in Territories under colonial domination and efforts to eliminate colonialism, apartheid and racial discrimination in southern Africa",

Recalling General Assembly resolution 1514 (XV) of 14 December 1960, containing the Declaration on the Granting of Independence to Colonial Countries and Peoples, as well as all other relevant resolutions adopted by the Assembly on this subject, including, in particular, resolution 43/47 of 22 November 1988 declaring the period 1990-2000 as the International Decade for the Eradication of Colonialism,

Reaffirming the solemn obligation of the administering Powers under the Charter of the United Nations to promote the political, economic, social and educational advancement of the inhabitants of the Territories under their administration and to protect the human and natural resources of those Territories against abuses,

Reaffirming that those economic and other activities which impede the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples and obstruct efforts aimed at the elimination of colonialism, apartheid and racial discrimination in South Africa and in colonial Territories are in direct violation of the rights of the inhabitants and of the principles of the Charter and all relevant resolutions of the United Nations,

Seriously concerned about the activities of those foreign economic, financial and other interests which continue to exploit the natural resources that are the heritage of the indigenous populations of the colonial and Non-Self-Governing Territories in the Caribbean, the Pacific and other regions, as well as their human resources, to the detriment of their interests, thus depriving them of their rights to control the resources of their Territories and impeding the realization by those peoples of their legitimate aspirations for self-determination and independence,

Bearing in mind the relevant provisions of the final documents of the successive Conferences of Heads of State or Government of Non-Aligned Countries and of the resolutions adopted by the Assembly of Heads of State and Government of the Organization of African Unity,

Strongly condemning the collaboration by certain countries with the racist minority regime of South Africa in the nuclear field, which, by providing that regime with nuclear equipment and technology, enables it to develop nuclear and military capabilities and to become a nuclear Power, thereby strengthening its abhorrent system of apartheid,

Conscious of the continuing need to mobilize world public opinion against the involvement of foreign economic, financial and other interests that obstruct efforts to eliminate colonialism and racism, particularly in South Africa, thereby violating the right of the peoples of colonial and Non-Self-Governing Territories to self-determination and independence, to apply pressure on transnational corporations to refrain from any investment or activity in South Africa, to encourage a policy of systematic divestment of any financial or other interest in corporations doing business with South Africa and to counteract all forms of collaboration with the apartheid regime,

1. Reaffirms the inalienable right of the peoples of colonial and Non-Self-Governing Territories to self-determination and independence and to the enjoyment of the natural resources of their Territories, as well as their right to dispose of those resources in their best interests;

2. Reiterates that any administering or occupying Power that deprives the colonial peoples of the exercise of their legitimate rights over their natural resources or subordinates the rights and interests of those peoples to foreign economic and financial interests violates the solemn obligations it has assumed under the Charter of the United Nations;

3. Reaffirms its concern over the activities of those foreign economic, financial and other interests which continue to exploit the natural resources that are the heritage of the indigenous populations of the colonial and Non-Self-Governing Territories in the Caribbean, the Pacific and other regions, as well as their human resources, to the detriment of their interests, thus depriving them of their right to control the resources of their Territories and impeding the realization by those peoples of their legitimate aspirations for self-determination and independence;

4. Condemns those activities of foreign economic and other interests in the colonial Territories that are impeding the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples, contained in General Assembly resolution 1514 (XV), and the efforts to eliminate colonialism, apartheid and racial discrimination;

5. Strongly condemns the collaboration of certain countries, in particular Israel, with the racist minority regime of South Africa in the nuclear field and calls upon those Governments concerned to refrain from supplying that regime, directly or indirectly, with installations, equipment or material that might enable it to produce uranium, plutonium and other nuclear materials, reactors or military equipment;

6. Strongly condemns the collaboration with the racist minority regime of South Africa of certain countries as well as transnational corporations that continue to make new investments in South Africa and supply the regime with armaments, nuclear technology and all other materials that are likely to buttress it and thus aggravate the threat to world peace;

7. Calls upon all States to take urgent, effective measures to terminate all collaboration with the racist regime of South Africa, in particular in the military and nuclear fields, and to refrain from entering into other relations which run counter to the maintenance of existing sanctions against the regime in violation of the relevant resolutions of the United Nations and of the Organization of African Unity;

8. Calls once again upon all Governments that have not yet done so, to take, in accordance with the relevant provisions of General Assembly resolution 2621 (XXV) of 12 October 1970, legislative, administrative or other measures in respect of their nationals and the bodies corporate under their jurisdiction that own and operate enterprises in colonial Territories that are detrimental to the interests of the inhabitants of those Territories, in order to put an end to such enterprises and to prevent new investments that run counter to the interests of the inhabitants of those Territories;

9. Calls upon those oil-producing and oil-exporting countries that have not yet done so to take effective measures against the oil companies concerned so as to terminate the supply of oil and petroleum products to the racist regime of South Africa;

10. Reiterates that the exploitation and plundering of the marine and other natural resources of colonial and Non-Self-Governing Territories by foreign economic interests, in violation of the relevant resolutions of the United Nations, is a grave threat to the integrity and prosperity of those Territories;

11. Invites all Governments and organizations of the United Nations system to take all possible measures to ensure that the permanent sovereignty of the peoples of colonial and Non-Self-Governing Territories over their natural resources is fully respected and safeguarded;

12. Urges the administering Powers concerned to take effective measures to safeguard and guarantee the inalienable right of the peoples of the colonial and Non-Self-Governing Territories to their natural resources and to establish and maintain control over their future development, and requests the administering Powers to take all necessary steps to protect the property rights of the peoples of those Territories;

13. Calls upon the administering Powers concerned to ensure that no discriminatory and unjust wage systems or working conditions prevail in the Territories under their administration and to apply in each Territory a uniform system of wages to all the inhabitants without any discrimination;

14. Requests the Secretary-General to continue, through the Department of Public Information of the Secretariat, to inform the world public opinion of those activities of foreign economic and other interests which are impeding the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples;

15. Appeals to mass media, trade unions and non-governmental organizations, as well as individuals, to coordinate and intensify their efforts to mobilize international public opinion against the policy of the apartheid regime of South Africa and to work towards the non-relaxation of existing measures against that regime in order to accelerate the process of constitutional change;

16. Decides to continue to monitor closely the situation in the colonial and Non-Self-Governing Territories so as to ensure that all economic activities in those Territories are aimed at strengthening and diversifying their economies in the interest of the indigenous peoples and at promoting the economic and financial viability of those Territories, in order to facilitate and accelerate the exercise by the people of those Territories of their right to self-determination and independence;

17. Decides to keep the item under continuous review.
